

This list is valid ONLY for the term listed. This comprehensive list is updated as courses are revised and is not intended to inform book purchases more than 6 weeks before the start of the indicated academic term.

Students, please remember to order books at least two weeks prior to the start of classes - this will ensure you are ready to get started when the course begins.

YOU ARE RESPONSIBLE FOR OBTAINING ALL MATERIALS ON THIS LIST FOR THE COURSES YOU ARE ENROLLED IN FOR THIS TERM. You may order your books from any bookstore you wish; however delivery and accuracy is the responsibility of the student. If you have any book issues, please contact your Academic Advisor.

All students are required to have the following textbook:

American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). <https://doi.org/10.1037/0000165-000>.

Many of the textbooks now come in e-book version. The e-book ISBN is when there is a formal version of the e-book from the publisher. However, many books also have a Kindle edition or the equivalent. Below are some sources for e-books:

- VitalSource: <https://www.vitalsource.com/>
- Amazon (Kindle): <https://www.amazon.com/Kindle-eBooks>
- eCampus eTextbooks: <http://www.ecampus.com/etextbooks.asp>

Download means the resource is available for download from either a specific site or as software.

Library means the book may be available as an eBook through the A.T. Still Memorial Library. The library may have limited copies, and the availability could change at any time during the term.
